COVER LETTER FOR SUPPLEMENTAL DECLARATION

Sir:

In the above matter, on November 11, 2006, we submitted a Declaration in response to the Notice to File Missing Parts of Application. During a recent review of our file, we noted that a page with the signature of Inventor One and Inventor Two of that Declaration was inadvertently omitted from the submission.

Therefore, we now submit in its entirety the Declaration with four signatures to supersede the Declaration submitted on November 11, 2006.

Also, we request that all USPTO records be changed to show the first inventor as designated on the supplemental Declaration as Hajime Ohki.

We trust that this matter is in order, but if there is any further action required please advise us immediately.

Respectfully submitted
for Applicant,

By: D.J.Ranft
